

Figure 1a

The image shows a blank Cartesian coordinate system. The x-axis and y-axis both range from 0.0 to 1.0, with major tick marks and labels at intervals of 0.2 (0.0, 0.2, 0.4, 0.6, 0.8, 1.0). A label 'Figure 1a' is positioned in the upper-left area of the plot, enclosed in a rounded rectangle. The plot area itself is empty, with no data points or lines.
